

2022 Beijing Institute of Technology International Winter “Cloud Lessons” Program

Program Description:

Beijing Institute of Technology had successfully held International Winter and Summer “Cloud Lessons” for consecutive two years with over 500 international students joining us. In the winter of 2022, BIT has designed an online Chinese language and culture program that will introduce the practical Chinese language alongside fascinating Chinese traditional and modern culture from history, custom, arts to society. All courses will be delivered by professional and experienced Chinese teachers. Studying Chinese at Beijing Institute of Technology is a good way to broaden your cultural and academic horizon at the Top 20 universities in China (QS World University Rankings 2022).

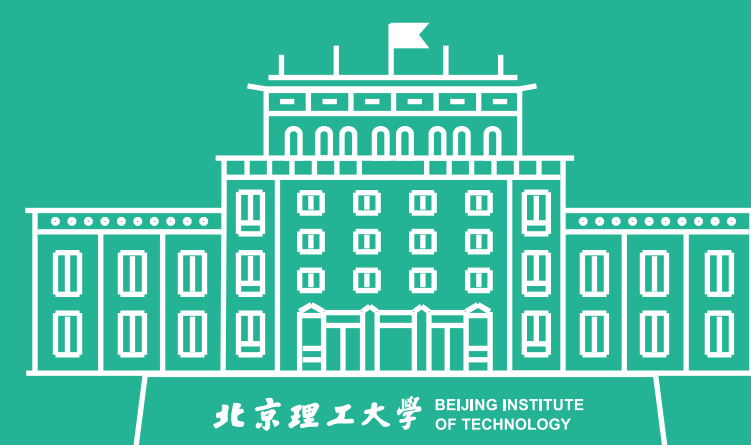

Program Summary:

Date	27 December-07 January (3-6:30p.m.Beijing time)
Duration	Two weeks (50 hours)
Credits	3 credits
Teaching method	Live-streaming+Video recording
