

## WORKING DURING YOUR STUDIES

In summer 2023, international students will again have the opportunity to work and earn money in Deutsche Post/DHL during their semester breaks. Summer jobs are fixed-term positions in Germany providing a legal work opportunities for international students from all countries in the world.

Basic things to know about summer jobs in Germany

You may apply without any German language knowledge (working in Paketzentrum) or with German language knowledge to work in delivering services. If you speak German, you will be able to find your way around Germany better and you may get better paid jobs in delivering.

As a foreign student you may work for up to 90 days in Germany. Most student jobs for foreigners are available in the summer time. However many German employers trust in the services of specialized agencies and prefer to hire foreign students for summer jobs this way. We have our associates for Balkan region who are working directly with the students to prepare them for the summer job in Germany.
